

CORE VALUES

Vision Mission & Objectives

Vision

- ❖ To be the leading educational institution in the region with multifaceted development-centric approach, a significant player in value based education with excellence in all spheres.
- ❖ Focus on the academic, physical and mental growth of the students and a special focus on personality development and discipline which uphold the core institutional values of respect for diversity, inclusiveness and humanism
- ❖ To build professionally successful and personally fulfilling lives radiating integrity, strength of character and love to learn
- ❖ To meet with confidence the challenges students will encounter in their lives with an open mind and balanced perspective
- ❖ Value creation through a model of growth in totality by nurturing the youth for overall development and emerge as leaders charged with new ideas and capacity to make a difference
- ❖ Contribute to the society by providing quality education and creating responsible citizens for the future.

Mission

- ❖ To accelerate and optimize the effective and economical use of resources for the benefit of students and society.
- ❖ To stimulate active learning environment attracting young women with exceptional desire to make a difference to the world
- ❖ To enrich co-curricular activities linking education to the world of work and communities
- ❖ Well qualified and dedicated teaching faculty along with experienced non-teaching and support staff provide an ideal model of '*total educational development*'.
- ❖ Commitment, Concern and Care - Three basic and core organizational values of the institution of the region for providing better and enhanced opportunities of growth to the students and society.

Objectives

1. To provide quality education to the students with basic undergraduate and two postgraduate degrees which are essential qualifications for diverse career options.
2. To provide a holistic development model to the students by covering variety of areas ranging from Arts, Sciences, Business Administration, Computer Science.
3. To set new standards in delivery and imparting of education by making combined use of its manpower and technology.
4. To attain the status of best educational institution in the region.
5. To increase the employability amongst students by opening new job oriented courses.
6. To work with result oriented plans with Commitment, Concern and Care.
7. To build interaction with reputed universities/colleges/institutions to focus on new strategies for enhancing capability of students.
