7.2 Best Practices

Describe at least two institutional best practices

Best Practice - 1

1. Title of the Practice:

Development of Students' Aid Fund

2. Objectives of the Practice

Siliguri College runs a Students' Aid Fund to support the students from poor economical background for their smooth process of study. During the current year a total amount of Rs. 56935 has spent to support a total of 48 needy students. The institution is not only supporting the students by paying their tuition fees, fees for form fill up etc. but also by insuring their health in a health scheme system.

3. The Context

Each year a good number of students are coming from very poor economic backgrounds like farmers, tea garden workers, labours etc. For smooth conduction of their study there was a need to generate a Students' Aid Fund. In each year many students are suffering from health issues due to diseases or accidents. Hence there was a need for health scheme. In these contexts, Students' Aid Fund was raised not only to support poor students financially but also look after their health issues.

Best Practice - 2

1. Title of the Practice

Conduction of awareness camps in the society.

2. Objectives of the Practice

As a prime institute in the area, Siliguri college conducted several awareness programmes in various locations throughout the year. These include health check up, thalasaemia camp, maternal immunization, blood donation, diet survey, consultation with family members etc. With the help of the NSS units the college always associated with various cleaning programmes in different slum areas in or near the city. By this way the college becomes one of the distinct educational institutions of that area.

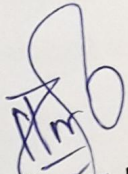

3. The Context

The poor or backward areas in or near the city are devoid of various kinds of awareness programmes which creates problems in their daily life. Siliguri college takes this as one of the greatest responsibility to aware themselves not only in relation to provide education but also to support their health and economic status. In order to conduct these programmes, several schools were selected in those areas to make the students aware of the problems in their societies.

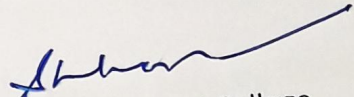

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link
